Please note that a service charge of 10% will be added, for the services marked with a star * in the list below.

In addition, please note that all concierge services must be paid locally before your departure.

Maid services

Professional cleaners can help you to relax during your holiday. Please check the terms of your contract as a certain amount of cleaning is very often included. If needed we will be delighted to provide you with the ideal homemaker! Please note that cleaners generally charge between 15 € and 20 € an hour and must be paid prior to your departure.

Cook or a Chef *

Why not enjoy the services of a chef at your villa? They can prepare you delicious meals, while you take full advantage of the sun! The charge for a private chef is from 35 € / hour depending on the standard required.

(An additional recruitment fee may be required if we have to go through a job agency)

Caterers / Private Parties *

We work very closely with a couple of local caterers who can provide and organise anything from private parties to weddings to small dinner parties. Please note that whilst owners are happy for you to entertain small groups of friends, should you wish to host a party or to entertain a larger group, written permission must be obtained prior to your arrival.

Baby sitting services *

Why not enjoy the good restaurants and attractions by night? Babysitters will look after your little ones. Prices vary depending on location, time and number of children. Prices start at 15 euros/hour.

Full time staff can also be arranged. (A travelling fee may be added according to the location of the villa).

Security guards *

For those who don't feel safe away from home, a security guard can be provided. Rates will be advised upon request according to the individual needs (i.e., night time service from 22h00 until 7h00 costs about 300 euros per night).

Shopping

Is there anything worse than an empty fridge after a long journey? If you would like us to do any food shopping prior to your arrival, please attach your shopping list to this questionnaire. **We charge a minimum fee of 40 €** for this service, and an additional 20 € per hour for shopping which exceed two hours of time.
