

RENT-A-CAR SERVICE

TWO TYPES OF SERVICES ARE AVAILABLE:

- * **A PERSONALIZED SERVICE** which offers delivery of the car directly at the arrival gate where an agent will meet you and accompany you to your car. Alternatively, we can arrange for the car to be delivered and collected from your villa.

*** A REGULAR RENT A CAR SERVICE** which offers better rates, but requires queuing to pick up the keys at the airport (Please note that there can be very long delays to get from Terminal 1 to terminal 2 and with the collection of the car). All reservations are made by category; therefore, we are unable to guarantee a specific model or engine).

Should you find a similar service at a reduced rate please let us know and we will get our partners to match it.
